Agreement/Pricing Addendum	Description of Exception
	<p>For the fifteen sampled agreements and pricing addendums relating to AADS, SBC has represented that the procedures for posting AADS transactions to the Internet differed from the procedures for posting ASI transactions until December 2000. Documentation is not available to test the posting date for these samples. These items were posted and available on the Internet as of December 31, 2000; however, the ten-day posting requirement cannot be verified. Five of the fifteen AADS agreements were executed prior to the Engagement Period.</p>
	<p>Fifteen of the sampled agreements and three of the sampled pricing addendums relating to ASI were active during the Engagement Period but were executed and posted in 1999. Documented that these agreements were posted on the SBC Internet as of December 31, 1999.</p>
	<p>The sampled agreements included four Interconnection Agreements between the Advanced Services affiliates and the ILECs. Pursuant to the Merger Conditions, these agreements are not required to be posted via the Internet.</p>
